i The Public:

i One member of the public Mr Ian Foster joined the meeting and reported: He has lived in Rochford for 40 years and was a member of Hawkwell Parish Council. He is interested in the Environment and Highways and to that end has studied the Bloor Homes Planning application in Ashingdon and has analysed it at length. He has sent his report to the RDC Planning Department and to Essex County Council.

ii No questions or other public requests to take part were received.

ii Ward Councillor Mrs L Shaw reported: Councillor Mr P Shaw is now the representative on the Local Highways Panel so any actions required, please forward to him – RDC Councillors are arranging a flood Forum meeting ASAP so any issues, please forward to Laureen to be brought up at the next meeting – Speed Watch cannot go ahead because of the lockdown but volunteers are requested, so let Laureen know so she can pass details onward and Zoom training sessions are to be scheduled – Very busy time across the Ward involved with various local issues – Laureen is now the approved Conservative candidate for the ECC elections on 6th May 21 – There is a Government drive to promote postal voting because of Covid – Laureen has been part of a District Councillor team marshalling and guiding the public for their Covid injections at the Puzey Practice – over 6,000 vaccinations carried out up to last week – Questions from the floor raised the Plough and Sail flooding and flooding outside New Cottages, Paglesham – The Ward Councillor will forward all notified complaints to ECC and on to the RDC Flood Forum.

iii Ward Councillor Mr G Ioannou reported on a meeting with Highways re: the Stambridge Road flooding coming from Rankings Farm opposite the Memorial Hall. This has allegedly been caused by the contractors working on the Rectory laying too narrow a pipe into the filled in ditch in the front of the building. Highways have identified a blockage at the other end of the pipe. Highways are aware and are addressing the problem – Blockages causing flooding on Creeksea Ferry Road have been resolved.

iv Ward Councillor Mr S Wootton reported: The NHS selection of the Puzey Surgery in the East and Audley Mills in the west is impressive in that all vaccination targets have been met to date – The RDC has offered to the NHS the Rayleigh Mill Hall and the Freight House to be included in the vaccination centres list which may help relieve a long ongoing issue at doctor's surgeries and allow them to return to service their normal patient demands – The proposed Flood Forum is being actively pursued with Partnership Agencies by the RDC as the local flooding events demand action - The RDC Asset delivery program includes the RDC Council offices moving to the Freight House following its refurbishment and the vacated offices converted to housing. The Rayleigh Mill Centre refurbishment will allow the Rayleigh Civic Offices to be established on the first floor and the old Rayleigh Civic Centre to be potentially converted to possible housing.
